"As a composer, one cannot ask for better interpreters of one's music. The audience senses their excitement about music making no matter what style being performed. They are the consummate artists!"

-Sy Brandon, composer

"The pair takes their listeners on a global trek of sound, acting as musical and cultural guides through some of the spiciest sounds on earth."

-Flagstaff Live

"DuoZona are blessed with excellent technique and fine musicality, and are pleasing to watch. What more needs to be said?"

-John Duarte, composer
